

Sponsorship Options

Sponsorship at the 2024 NW ICAC & Technology Conference provides an opportunity for your organization to help support the increasingly critical information exchange, training, education, best practices, and case studies among those investigators, prosecutors and digital forensic examiners who are working tirelessly within their communities. This is a nonprofit event, so your sponsorship will help bring together committed groups of professionals, many of whom would be otherwise unable to attend and partner in this most vulnerable area of our communities. A continuing relationship between the public and private sector is essential in our global fight to protect our children and other vulnerable populations.

| Sponsor Benefits <small>Based on Investment Levels</small> | PLATINUM \$20,000 | GOLD \$15,000 | SILVER \$10,000 | BRONZE \$5,000 |
